# St Davids Care in the Community Trust

Annie & Susan would like to thank you for your support

Our trust supports 46 young adults in 8 houses within the community of St Davids.

We have given them homes of their own, a right to belong. However, this is only possible through ongoing education, training in life skills and developing abilities at their own personal achievement level. As they are all registered severely disabled they are constantly in need of special care and support.

Will you help us to continue giving them the right to the kind of life they so deserve by completing the attached form.

Your regular gift will help provide our special community with even greater security.
